### General Functions of the Office of Student Affairs and Services (OSAS)

The OSAS operates within the context of the Mission, Vision, and Core Values of the University. It is directly under the authority of the Office of Vice-president for Academic Affairs, it provides non-academic services that support academic instruction. The OSAS are the services and programs in the university that are concerned with academic support experiences of students to attain holistic student development. The purpose is to facilitate holistic student growth for active participation in the collective efforts to develop the community and build a progressive nation. These non-academic services are student-centered and three-pronged: student welfare services, student programs and services and institutional student programs and development services.

Student Welfare Services are the basic services and programs needed to ensure and promote the well-being of students. Student Development Services are services and programs designed for the exploration, enhancement and development of the student's full potential for personal development, leadership and social responsibility through various institutional and/or student-initiated activities. Institutional Student Programs Services are vices and programs designed to pro-actively respond to the basic health, food, shelter and safety concerns including student with special needs and disabilities and the school. These are programs and activities to facilitate the delivery of essential services to the students. The Scholarship and Financial Assistance Office services is under Institutional Student Programs and Services.

The Policies and Procedures of the Scholarship and Financial Assistance Office was approved under Resolution No. 585 Series of 2017 during the Fifty Third (53rd) Regular Meeting of the Batangas State University Board of Regents held at Conference Room, 7th Floor, CIRTC Building, BatStateU Pablo Borbon Main I on March 25.2017.

#### Faith

The University's initiatives and activities are guided by a strong faith in a Supreme Being. These are anchored on high regard and respect for the beliefs and orientation of each member of the academic community for a productive and meaningful co-existence.

#### Patriotism

This value extends from promoting love of country to taking pride in being a Filipino. The University advocates a strong sense of commitment to national ideals through its active promotion of the Philippine culture and heritage, as well as concern for the environment and the nation's natural biodiversity, all of which lead to the creation of a pool of professionals who are instrumental for nation building.

#### **Human Dignity**

This value affirms the uniqueness, inherent worth, and distinction of every member of the community, with high respect to equality, social justice, and human rights. This is seen as the most effective way to prevent or resolve conflicts, and is thus necessary to ensure a harmonious University environment.

#### Integrity

This pertains to the University's steadfast adherence to morally-sound principles and ideals in the pursuit of institutional goals and objectives. It covers the values of accountability, honesty, righteousness, incorruptibility, and decency in the governance and implementation of academic, administrative, financial policies.

#### Mutual Respect

This refers to the recognition and acceptance of individual and professional differences in the exercise of academic freedom and the freedom of expression. It is exhibited by a community that is progressive-minded and receptive to growth and positive change.

#### Excellence

A strong commitment to excellence in the areas of instruction, research and extension services, as well as in the management of financial resources and in the general administration of the University, is the most significant factor in ensuring the successful attainment of the University's vision. Excellence results to continuous quality improvement in the services offered by the university to its clientele and stakeholders.
