

BATANGAS STATE UNIVERSITY
MAJOR PROGRAMS AND PROJECTS FY 2015
CATEGORIZED BY KEY RESULT AREAS UNDER EO 43 SERIES 2011

A. TRANSPARENT, ACCOUNTABLE AND PARTICIPATORY GOVERNANCE

Programs / Projects	Status of Implementation	Assessment / Evaluation
Integrity Management Program (EO No. 176)	On-going	<ul style="list-style-type: none"> • For continuous implementation, monitoring and evaluation • For information dissemination
Anti-Red Tape Act (ARTA) 1. Presence of the Citizen's Charter, both printed and posted as information billboards; 2. A Public Assistance and Complaint Desk (PACD) which is manned at all times; 3. The wearing of identification cards of all employees; 4. Anti-fixer, No noon break, No smoking posters 5. Suggestion and Feedback boxes; 6. Priority Lanes for Persons with Disabilities, Pregnant, and Senior Citizens; and 7. Rest room for the public;	On-going	<ul style="list-style-type: none"> • For continuous implementation, monitoring and evaluation • For information dissemination
BatStateU Zero Corruption Policy		
Training Writeshop on Extension Service Proposal	Completed	For dissemination
Consultative Meeting-Workshop on Adopt-a-Barangay Program	Completed	For dissemination
Professionalism in the Workplace	Completed	For dissemination
CSC Examination Review Classes for Lipa City Government Personnel	Completed	For dissemination
CSC Examination Review Classes for NFA Employees	Completed	For dissemination
4Cs for Educators (Coaching, Counseling, Consultation and Collaboration) Learning Institute for Teachers	Completed	For dissemination
Forum on Women in Community Leadership, Power and Decision-Making	Completed	For dissemination
Forum on Women in Media	Completed	For dissemination
Forum on Women in Family Decision-Making	Completed	For dissemination

Gender Sensitivity Training	Completed	For dissemination
Launching of BatStateU's GAD Advocacy Campaign	Completed	For dissemination
BatStateU GFPS: Toward a Gender Responsive Academic Community	Completed	For dissemination
Training Workshop on Gender Analysis, Tools and Process	Completed	For dissemination
Seminar on Organizational Commitment and Gender in Education	Completed	For dissemination
Breaking Down Barriers towards a Gender Fair Academic Community	Completed	For dissemination
Breaking Down Barriers Towards A Gender Fair Academic Community – Integrated School Students	Completed	For dissemination
Sex Disaggregated Data: Analyzing Gender Issues through Gender Statistics	Completed	For dissemination
GAD Awareness Seminar: “Violence Against Women A Threat to Sustainability”	Completed	For dissemination
Training Workshop On Gad Planning And Budgeting	Completed	For dissemination
Gender Sensitive Research Seminar	Completed	For dissemination
Gad Orientation For Program Chairpersons	Completed	For dissemination
Gad Research Colloquium	Completed	For dissemination

B. POVERTY REDUCTION AND EMPOWERMENT OF THE POOR AND VULNERABLE

Programs / Projects	Status of Implementation	Assessment / Evaluation
Expanded Students' Grants-In-Aid Program for Poverty Alleviation (ESGP-PA)	On-going (It is implemented as a long term instrument and commitment to break the vicious poverty cycle afflicting the poor but deserving Filipino youth and their families.)	<ul style="list-style-type: none"> • For continuous implementation, monitoring and evaluation • For information dissemination
Adopt A Barangay Program (Needs Assessment Phase)	Completed	Terminal Report Submitted
Physicochemical, Sensory and Shelflife Analysis of Daing Flakes in Oil	On-going	Preliminary Activities i.e Standardization of procedure

Manufacturing of Toge (<i>Vigna radiate</i>) Fresh Pancit	On-going	Preliminary Activities i.e MOA signing
Profitable or Forfeitable: The business ecology of salted duck eggs enhanced with lemon grass and cinnamon	On-going	Progress Report
Short Course on Housekeeping Services	Completed	For dissemination
Training -workshop on Passion Fruit Wine and Jam Processing	Completed	For dissemination
Structural Welding	Completed	For dissemination
Seminar-Workshop - "HRM's Finest: Revolution of Skills and Expertise Season 3"	Completed	For dissemination
Capability Training on Basic Automotive Wiring for Out of School Youth of Brgy., Matamis, Rosario, Batangas	Completed	For dissemination
Techno Mission, "A 3-day Free Servicing Activity of Automotive, Computer, Electrical & Electronics Technology	Completed	For dissemination
Livelihood Skills Training Program on Practical Electricity and Basic Electronics	Completed	For dissemination
Skills Enhancement for NC2 Requirements on Structural Welding	Completed	For dissemination
Taro Chips Production	Completed	For dissemination
Empowerment of Batanguenos through Vocational Skills Training Program	Completed	For dissemination
Appliance Repair	Completed	For dissemination
Basic Electronics 2	Completed	For dissemination
Training on Packaging, Food Preparation	Completed	For dissemination
Free Training Program: Basic Computer Programming	Completed	For dissemination
Empowering the Community through Livelihood Trainings and Marketing Assistance for Brgy. Matamis	Completed	For dissemination
Basic Training Skills on Cosmetology particularly Foot's Spa, Manicure, and Pedicure	Completed	For dissemination
Home Appliance Repair Literacy Training Program	Completed	For dissemination
House Wiring Installation Literacy Training Program	Completed	For dissemination
Food Processing Training Program	Completed	For dissemination
Computer Hardware Literacy Training Program	Completed	For dissemination
Financial Literacy Training-Workshop for the Women of Brgy. Catandaan	Completed	For dissemination
Basic Computer Programming	Completed	For dissemination
BatStateU-PTCA PESODEV Basic Skills Training on Cosmetology	Completed	For dissemination
Livelihood and Vocational Training Program on Candle Making Business	Completed	For dissemination
Empowerment of Barangay through Livelihood Program	Completed	For dissemination
Community-Based Micro-Enterprise Project in upland Villages of Lobo Batangas: Business Opportunities for Coconut Farmers and Women of Bignay, Lobo, Batangas	Completed	For continuous evaluation
Small Scale Enterprise Development for Women and Community Group in Brgy. Bignay: Training on and	Completed	For continuous evaluation

Production of Banana Chips		
Gabay sa Pagbasa, Tulay ng Pag-asa" A Reading Remediation Program of College of Teacher Education	Completed	For presentation
A Broadcast-Based Distance Learning System Project themed "Enhancing Knowledge on Better Understanding of the Filipino Culture"	Completed	For dissemination
Computer Literacy Training on Grade 3 Students of Sen. Maria Kalaw Elementary School	Completed	For dissemination
Ang ABAKADA at ang mga Bata	Completed	For dissemination
Amazing Eskwelahan for an Easier Learning Access	Completed	For dissemination
Mentoring of 4Ps Scholars	Completed	For dissemination
"Gabay sa Pagbasa, Tulay ng Pag-asa" A Reading Remediation Program (continuation)	Completed	For presentation
Admission Examination Review on PMMA and PNPA for the Qualified Examinees in Taysan Batangas	Completed	For dissemination
No Students Left Behind: Empowering Talahib Pandayan High School Students through Math and Science Remedial Education	Completed	For dissemination
I LAB U (Institutional LABORatory Unit) 1: A BatStateU - BS Chemistry Adopt-a-School Laboratory Project	Completed	For dissemination
Seminar-Workshop on Personality Enhancement for Grade 9 Students: Pandayan ng Dunong para sa mga Ka-Talahib (Kabataan ng Talahib Pandayan) Series	Completed	For dissemination
Career Guidance for Grade 10 Students: Pandayan ng Dunong para sa mga Ka-Talahib Series	Completed	For dissemination
Pagtuturo at Pagkalinga sa mga Natatanging Bata	Completed	For dissemination
Enhancing Aspirant's Basic Skills on effective Writing towards Improvement of Campus Journalism	Completed	For dissemination
Installation of DOST STARBOOKS: The Philippines' First Digital Science Library in Malinao Elementary School	Completed	For dissemination
Nutrition Month: "Timbang Iwasto sa Tamang Nutrisyon at Ehersisyo	Completed	For dissemination
Kalusugan ng Ina, Kalusugan ng Buong Pamilya	Completed	For dissemination
Fighting Hunger through Partnership	Completed	For dissemination
Smoke Free Community: Communicating Effects of Cigarette Smoking in Brgy. Pagolingin Bata Lipa City towards a Healthy Living	Completed	For dissemination
Enhancing Knowledge and Awareness on Upper Respiratory Tract Infection through Active Participation of the Community	Completed	For dissemination
Gauging the Level of Awareness on Anti-rabies and Control Program of Lipa City	Completed	For dissemination
Blood Donation Activities (17 1-day engagement)	Completed	For dissemination
Gift Giving Activities (14 1-day engagement)	Completed	For dissemination
Bayani Challenge 2015	Completed	For dissemination
Training on Tour Guiding	Completed	For dissemination
Summer Sports Clinic	Completed	For dissemination
Leadership Environmental Protection Advocacy Training and Personality Development Seminar: "Maximize	Completed	For dissemination

the Creative Potential of Student Members to Achieve Team Goals"		
Seminar-Workshop on Values Transformation: Pandayan ng Dunong para sa mga Ka-Talahib (Kabataan ng Talahib Pandayan) Series	Completed	For dissemination
Red Cross Youth Council Leadership Development Training	Completed	For dissemination
Adopt a Library Program	Completed	For dissemination
4 th Annual Walk O' Run "Support a Child Education" for the benefit of the Indigent Elementary Pupils of Rosario West Central School	Completed	For dissemination
Hakbang Alay sa Kabataang Batangueño - Alay Lakad 2015 (Alay Lakad Batangas City)	Completed	For dissemination
Batangueño, Magsama-sama sa Hakbang ng Pag-asa - AFLI - Batangas Province	Completed	For dissemination
Takbo Para sa Nanay Ko, Laban sa Cancer	Completed	For dissemination

C. RAPID, INCLUSIVE AND SUSTAINED ECONOMIC GROWTH

Programs / Projects	Status of Implementation	Assessment / Evaluation
Design and development of an integrated school administration system - Electronic Monitoring and Coordination Center	On-going	Hardware deployment – 95% Entire Project – 25%
Completion of 5-Storey Student Services Center Building II in BatStateU-Main	On-Going Construction	600 calendar days duration Started Construction on Dec. 6. 2015 expected to finish on Jul. 22, 2017
Proposed 5-Storey University Wellness Center in BatStateU-Main1	On-Going Construction	300 calendar days duration Started Construction on Dec. 11, 2015 expected to finish on Oct.24, 2016
Repair of Canopy CABEIHM Building in BatStateU-Main I	On-Going Construction	120 calendar days duration Started Construction on Dec. 1, 2015 expected to finish on Mar. 29, 2016
Proposed 5-Storey STEAM Library Building in BatStateU-Main	On-Going Construction	360 calendar days duration Started Construction on Dec. 1, 2015 expected to finish on Nov. 24, 2016
Renovation of OSAS Building in BatStateU-Main I	On-Going Construction	120 calendar days duration Started Construction on Dec. 1,2015 expected to finish on Mar. 29, 2016
Proposed 3-Storey IS Building in BatStateU-Main I	On-Going Construction	210 calendar days duration Started Construction on Dec. 1,2015 expected to finish on Jun. 27, 2016

Completion of 7-Storey IRTC Building in BatStateU-Main I	On-Going Construction	300 calendar days duration Started Construction on May 17, 2015 expected to finish on Mar. 11, 2016
Construction of CICS Student Center in BatStateU-Alangilan	On-Going Construction	60 calendar days duration Started Construction on Dec. 1, 2015 expected to finish on Jan. 29, 2016 (With Liquidated Damages)
Renovation of Dean's Office, Local Designees & Accreditation Office in BatStateU-Alangilan	On-Going Construction	40 calendar days duration Started Construction on Dec. 1, 2015 expected to finish on Feb. 18, 2016
Construction of University Clinic and Speech Laboratory in BatStateU-Rosario	On-Going Construction	120 calendar days duration Started Construction on Dec. 1, 2015 expected to finish on Mar. 29, 2016
Improvement of Gymnasium (Phase 1) in BatStateU-Rosario	On-Going Construction	120 calendar days duration Started Construction on Dec. 1, 2015 expected to finish on Mar. 29, 2016
Construction of Facade & Storage in BatStateU-Rosario	Completed	60 calendar days duration Started Construction Dec. 1, 2015 Completed as of Jan. 29, 2016
Construction of CECS Building in BatStateU-Malvar	On-Going Construction	300 calendar days duration Started Construction on Dec. 6, 2015 expected to finish on Oct. 30, 2016
Construction of Covered Pathway in BatStateU-Malvar	Completed	60 calendar days duration Started Construction on Dec. 1, 2015 Completed as of Jan. 29, 2016
Construction of 4-Storey Lemery Building I in BatStateU-Lemery	On-Going Construction	120 calendar days duration Started Construction on Sept. 21, 2015 expected to finish on Jan. 18, 2016. (With Liquidated Damages and 60 days time extension)
Construction of Nutrition & Dietetics Laboratory in BatStateU-ARASOF Nasugbu	On-Going Construction	120 calendar days duration Started Construction on Sept. 21, 2015 expected to finish on Jan. 18, 2016 (With Liquidated Damages)
Completion of Drainage Canal in BatStateU-ARASOF Nasugbu	On-Going Construction	calendar days duration Started Construction on Sept. 21, 2015 expected to finish on Jan. 27, 2016 (With Liquidated Damages and 20 days time extension)
Construction of Campus Gate and Fence with Guardhouse	Completed	124 calendar days Started Construction May 2, 2015 Completed as of Oct. 21, 2015 with

		Liquidated Damages
Hydroponic Vertical Farming Utilizing Fiber Optics Lighting System	On-going	Progress Report
Tactical Operative Amphibious Drive (TOAD)	Completed	For Submission of Terminal Report
Establishment of Centralized Facility of Ultra High Temperature/High Temperature Short Time Pasteurizer for Milk, Coconut Water and Other Juices	On-going	Progress Report
Training and Production of Turmeric (Luyang Dilaw)	Completed	For dissemination
Integrated Community-Based Development Program (Adopt-a-Cooperative)	Completed	For dissemination
CISCO 1 Training for IT/CS Mentors of Kolehiyo ng Lungsod ng Lipa	Completed	For dissemination
Tour Ala Eh 3.0	Completed	For dissemination
Training in Organic Farming & Container Gardening at Kumintang Ibaba, Batangas City	Completed	For dissemination
Training in Organic Farming & Container Gardening at San Jose, Batangas	Completed	For dissemination
Community-Based Herbs and Spices Demo-Farm in Sawang Lobo Batangas: Set-up for Good Agriculture Practices	Completed	For continuous evaluation
Site Survey of Archdiocesan Ministry on Environment (AMEN) Paraisong Batangas at Balagtas, Batangas City	Completed	For dissemination
Installation of Conveyor at Line 1 of the Production Area of Utsuta Metal Stamping Philippines, Inc	Completed	For dissemination
A Feasibility Study on Establishment of Village Type Corn Post Harvest Facility in OCVAS	Completed	For dissemination
Establishment of Vegetable Warehouse and Storage in Lumbang, Lipa City	Completed	For dissemination
A Proposed Feasibility Study of Reconstruction of Lobo Public Market	Completed	For dissemination
A Proposed Manufacturing Layout of Charcoal Briquette Production	Completed	For dissemination
A Feasibility of the New Wastewater Treatment System in Lipa City Slaughter House	Completed	For dissemination
Application of Maynard Operation Sequence Technique: A Tool for Productivity Optimization and Workflow Improvement through Reduction of Non-value Added Activities at ATM-R Section of Hitachi Cable Philippines, Inc.	Completed	For dissemination
Peak Period Demand Planning Model Through Aggregate Planning Strategies for Cost Minimization ay May & Christe Philippines	Completed	For dissemination
Modification of Ele's Special Sweet Peanut and Brittlenut Molder	Completed	For dissemination
A Proposed Project Management Framework of the Tax-Mapping Program (Module Three) of the Batangas Provincial Assessors' Office	Completed	For dissemination
A Feasibility Study on the Use of Solar Panel as Energy Source of Street Lights at Ayala Highway Lipa City, Batangas	Completed	For dissemination
A Feasibility Study on the Proposed Installation of Traffic Lights at C.M. Recto Avenue, Lipa City	Completed	For dissemination
A Feasibility Study on the Proposed Installation of CCTV Surveillance Cameras at Brgy. Banay-banay, Lipa	Completed	For dissemination

City		
A Feasibility Study on Establishing NBL (Nobility, Brilliance & Leadership) Education System Mabini, Batangas Branch	Completed	For dissemination
A Feasibility Study of Micro Financing Cooperative in Gawad Kalinga Sites in Batangas	Completed	For dissemination
A Business Feasibility of GoKlean Dishwashing Liquid Market Expansion of GK Keppel Eco Village	Completed	For dissemination
A Business Feasibility of Establishing a CERDO Real Meatshop for uklod-Unlad Multi Purpose Cooperative in Rosario, Batangas	Completed	For dissemination
An Economic Feasibility Study of Individual Quick Freezing Opposed to Conventional Blast Freezing by Cost-Profit Analysis at Silangan Poultry	Completed	For dissemination
A Feasibility Study of the Potential Market for the Peanut Butter Product of GK HOLD Norcal in San Jose, Sico, Batangas	Completed	For dissemination
A Feasibility Study on Renovation and Development of Kamantugue Beach and Diving Resort	Completed	For dissemination
A Feasibility Study on Establishment of Cutting Department at Crisdeline Garments	Completed	For dissemination
A Feasibility Study on Establishment of Agricultural Farm Mechanization in OCVAS	Completed	For dissemination
A Feasibility Study on Expansion of Sorosoro Ibaan Development Cooperative Dressing Plant	Completed	For dissemination
A Feasibility Study of an Acquisition of Crusher at Arthur Blanco Construction and Development Corporation	Completed	For dissemination
A Feasibility Study of the Expansion of Production Area of HPS2 at Salinas (IM) Corporation	Completed	For dissemination
A Feasibility Study of Replacing Traditional Lighting System into LED Lighting System	Completed	For dissemination
A Feasibility Study on market Expansion of Pasteurized Fresh Milk of Talumpok	Completed	For dissemination
A Feasibility Study for the Expansion of RGB Park and Sail Area at Batangas Pier	Completed	For dissemination
A Feasibility Study of Establishing Chlorination System at Brgy. Bilogo, Batangas City	Completed	For dissemination
A Feasibility Study of Warehouse Expansion in Everlast Agro-Industrial Corp.	Completed	For dissemination
A Feasibility Study of Establishing a T-shirt Printing Business for GK Keppel Eco Village	Completed	For dissemination
A Feasibility Study of Installation of Bucket Conveyor at Salinas (IM) Corporation	Completed	For dissemination
A Feasibility Study of Acquisition of Injection Moulding Machine of Universal Robina Corporation - Packaging Division	Completed	For dissemination
A Feasibility Study of Hairnet Market Expansion of Gawad Kalinga Nestle Eco Village	Completed	For dissemination
A Feasibility Study of Acquisition of Multi Purpose Food Drying Machine at Packaging and Labeling Center for Home Extension Division of OCVAS	Completed	For dissemination
A Feasibility Study on Establishing a "AAA" Slaughterhouse in Tanauan City, Batangas	Completed	For dissemination
A Feasibility Study on Cycle Time Reduction and Standardization of Line 4 (Dang Model) of Crisdeline	Completed	For dissemination

Garments		
Assessment of Posture-Related Discomfort on Binder Cooker	Completed	For dissemination
Line Balancing in Chassis Assembly for N-Series Truck at Isuzu Philippines Corp.	Completed	For dissemination
A Business Feasibility of Establishing a Franchised Branch of Mega Minds Reviews and Tutorials at Antipolo del Norte, Lipa City, Batangas	Completed	For dissemination
Root Cause Analysis of Oil Spill During Loading Operation in Gantry area at Phoenix Petroleum Philippines, Inc.	Completed	For dissemination
Proposed Strategies for Product Defecets Detection at Hocheng (HCG) Philippines Corporation	Completed	For dissemination
Analysis of Operating Cost on the Laundry Service of Victory Stream Laundry	Completed	For dissemination
Root Cause Analysis of the Occurrences of Missing Inventory Parts at Materials Handling Section	Completed	For dissemination
Manpower Planning of Line 2 through Line Balancing for Advanced Lavatories and Cabin Interiors	Completed	For dissemination
Root Cause Analysis of Defects on the TBR Models in Isuzu Philippines, Corp.	Completed	For dissemination
A Feasibility Study on the Use of Pig Manure as an Additive to Hollow Blocks	Completed	For dissemination
Training on Marketing Assessment of PIFADECO	Completed	For dissemination
Seminar & Training in Bookkeeping Process (SINAMPC)	Completed	For dissemination
Skills Training and Technology Transfer of Electrical Wiring Circuit Trainer	Completed	For continuous evaluation
Skills Training and Technology Transfer of the Dishwashing Liquid Mechanical Agitator	Completed	For continuous evaluation
Skills Training and Technology Transfer of Water Distribution Facility	Completed	For continuous evaluation
Skills Training and Technology Transfer of Peanut Shell Powdering Machine	Completed	For continuous evaluation
Skills Training and Technology Transfer of Ergonomic Drying Tray for Charcoal Briquettes	Completed	For continuous evaluation
Skills Training and Technology Transfer of Modification of Drum Kiln	Completed	For continuous evaluation
Technology Transfer of Ergonomic Soaking Bath for Sampaloc Talisay Producers Cooperative	Completed	For continuous evaluation
Technology Transfer of Charcoal Pulverizer	Completed	For continuous evaluation
Technology Transfer of a Charcoal Briquette Molder	Completed	For continuous evaluation
Technology Transfer of a Manual Mixing Machine for Sabunan Taliba Soap Manufacturing in Taliba	Completed	For continuous evaluation
Technology Transfer of a Helio-Solar Drying Cabinet for Charcoal Briquettes	Completed	For continuous evaluation
Semi-Automated Biogas Digester	Completed	For continuous evaluation
Vertical Axis Wind Turbine Counter Rotating for Power Generation	Completed	For continuous evaluation
Solar Wind Power Generation	Completed	For continuous evaluation
Pico-Hydro Turbine Generator	Completed	For continuous evaluation
Technology Transfer and Skills Training of the Portable Hybrid Powered Water Filtration Device	Completed	For continuous evaluation

Design and Development of Tamarind Pulper and Deseeder including Technology Transfer and Skills Training	Completed	For continuous evaluation
Development and Transfer of Rescue Boat (made of PVC Pipes) and Training of its Operations and Maintenance	Completed	For continuous evaluation
Design and Development of Chocolate S'mores Molding Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Mussel Debearding Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Automated Soap Making Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Squid Slicing and Cleaning Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Fish Scrap Shredding and Mixing Machine for Fish Emulsion Fertilizer Production including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Automated Coconut Vodka (Lambanog) Distillation System including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Sugarcane Bagasse Grinding and Pelletizing Machine for Feed Production including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Wanton Wrapper Making Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Screwpine (Pandan) Leaves Juice Extracting Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of an Aloe Vera Gel Extracting Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Vacuum Evaporator for Coconut Jam Production including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of an Automated Cookie Meal Sifter including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Duckweed Harvesting System with Dryer for Poultry Feed Production including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Chlorophyll Separating Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Crab Shell Granulating Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Steamed Cassava Making Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation

Training		
Design and Development of Extruding and Cutting Machine for Skinless Longganisa Production including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of a Copra Grinding Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of a Pelletizing Machine for Tilapia Feeds Production including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Egg White and Yolk Separating Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Turmeric Dehydrating and Powdering Machine including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Recycled Paper Jacket Making Machine for Mango Pest Control including Technology Transfer and Skills Training	Completed	For continuous evaluation
Design and Development of Cryogenic Grinder of Spices for Briones' Spices	Completed	For continuous evaluation
Design and Development of Pyrolyzer for the Production of Fuel Oil From Polyethylene Wastes	Completed	For continuous evaluation
Design, Development and Installation of Electro pneumatically Controlled Boom Gate System	Completed	For continuous evaluation
Design and Development of Solar-powered Automated Egg Incubator	Completed	For continuous evaluation
Design and Development of Solar-powered Fish Dryer	Completed	For continuous evaluation
Design and Development of a Small Scale Biogas Power Generation Plant	Completed	For continuous evaluation
Design, Development and Installation of a Modified Wind Powered Charging Station and Lighting System at Batangas City Grand Terminal	Completed	For continuous evaluation
Design and Development of Sewing Machine-Driven Generator	Completed	For continuous evaluation
Design, Development and Installation of Solar-Powered Charging Station, Lighting System and Assistive Accessories in PUJs	Completed	For continuous evaluation
Design, Development and Installation of a Cross Flow Turbine Pico Hydro Generator	Completed	For continuous evaluation
Design and Development of Continuous - flow Rice Husk Gasifier	Completed	For continuous evaluation
Design and Development of Cow Manure Powdering Machine for Organic Fertilizer Production	Completed	For continuous evaluation
Design and Development of Multi-Bar Soap Cutting Machine	Completed	For continuous evaluation
Design and Development of a Corncob Crusher	Completed	For continuous evaluation
Design and Development of Cassava Pelletizing Machine	Completed	For continuous evaluation
Design and Development of Twisted Savonius Turbine Generator as a Safety Signage and Lighting System	Completed	For continuous evaluation
Design, Development and Installation of Wind Belt System	Completed	For continuous evaluation

Design, Development and Installation of a Modified Microbial Fuel Cell	Completed	For continuous evaluation
Design, Development and Installation of Solar-Powered Street/Traffic Light	Completed	For continuous evaluation
Development of Ergonomically Designed Nata de Coco Slicer	Completed	For continuous evaluation
Development of Ergonomically Designed Steel Twister to Reduce the Risk of Work-related Musculoskeletal Disorder	Completed	For continuous evaluation
Design and Development of a Sponge Roller Compressing Machine	Completed	For continuous evaluation

D. JUST AND LASTING PEACE AND THE RULE OF LAW

Programs / Projects	Status of Implementation	Assessment / Evaluation
Developing Lives, Communities and Identities without Drugs: Addressing Drug Abuse and Use towards a Safe Community	Completed	For dissemination
Halina't Pag-usapan, Kapayapaan at Seguridad ng Barangay: A BatStateU - BS Criminology Capacity Building Training Project	Completed	For dissemination
Pamamahaling Pantahanan, Pamilya, Atbp. (3Ps Atbp) Series: A BatStateU-BS Psychology Capacity Building Training Project	Completed	For dissemination
Hand in Hand: Reach out Thru High-Tech Medium	Completed	For dissemination
Youth Training Based on the Behavioral Monitoring Survey and Information and Communication Issues and Concerns Towards a Gender Sensitive Youth of the Community	Completed	For dissemination
A Student Development Seminar on Bullying "Be Buddies not Bullies"	Completed	For dissemination
Forum on Magna Carta of Women and Anti-Sexual Harassment Act of 1995	Completed	For dissemination
Beyond the word of Love" A Seminar on Responsible Sexuality: Pandayan ng Dunong para sa mga Ka-Talahib Series	Completed	For dissemination
Breaking Down Barriers Towards A Gender Fair Community – Talahib Pandayan National High School	Completed	For dissemination
End VAW Now! It's Our Duty! A Walk to End VAW and Seminar Forum on Anti-Violence Against Women	Completed	For dissemination
Wearing of Orange Shirt for the UNITE to End Violence Against Women Campaign	Completed	For dissemination
Walk And Program To End Violence Against Women (END VAW 2015)	Completed	For dissemination
Forum On Gender Violence	Completed	For dissemination

E. INTEGRITY OF THE ENVIRONMENT AND CLIMATE CHANGE ADAPTATION AND MITIGATION

Programs / Projects	Status of Implementation	Assessment / Evaluation
4-Support Environmental Programs (4SEP) 1. SM1: Management Initiative 2. T-PCG: Tree-Planting-Caring-Growing 3. PapCon: Paper Conservation 4. EcoWaM: Ecological Waste Management	On-going	<ul style="list-style-type: none"> • For continuous implementation, monitoring and evaluation • For information dissemination
International Coastal Area Clean-up Mangrove Clean-up Drive Mangrove-Planting Project	On-going	<ul style="list-style-type: none"> • For continuous implementation, monitoring, and evaluation • For information dissemination
Assessing Climate Change Vulnerability of Coastal Communities in the Province of Batangas (Phase I)	On-going	Progress Report
Bioaccumulation of Heavy Metals Cd, Cr, Cu, Pb and Hg in Bivalvia Species from Balayan Bay	On-going	Progress Report
Establishment of Batangas State University Herbarium Collection Facility (BatStateU HF) – Phase 2	On-going	Progress Report
Technology Demonstration on Pyramid Type of Artificial Reef with Attached Corals (PARAC) Establishment in Lobo, Batangas	Completed	For submission of Terminal Report
Coastal and Mangrove Protection Program in Lobo Batangas	Completed	For presentation
Coastal and Mangrove Protection Program in Lobo, Batangas - Project 2	Completed	For presentation
Consultative Meeting on Solid Waste Management	Completed	For dissemination
Coastal and Mangrove Protection Program in Lobo, Batangas – International Coastal Clean-up Drive	Completed	For presentation
Capacity Building for Social Enterprises in Taal Volcano Protected Landscape	Completed	For dissemination
Knowledge Enhancement and Engagement of Youth in Brgy. San Jose, Lipa City in Solid Waste Management towards Community and Environmental Development	Completed	For dissemination
Expanding and Engaging Conservation Alliances for Continued Protection of Mt. Malarayat Forest Reserve (Ecotourism Training and Business Planning Workshop for Brgy. Malitlit Lipa City)	Completed	For dissemination
Citronellamok Tepok!: A Propagation and Distribution Project	Completed	For dissemination
Coastal Clean Up at Berna Beach to Brgy. Bucana	Completed	For dissemination

Brigada Eskwela 2015: "Summer Bayanihan sa Bayan ni Juan"	Completed	For dissemination
Coastal Clean-up at Apacible Boulevard, Nasugbu, Batangas	Completed	For dissemination
Coastal Clean-up at Brgy. Wawa, Nasugbu, Batangas	Completed	For dissemination
Mechanical Engineering Coastal Clean-up & Tree Planting	Completed	For dissemination
International Coastal Clean Up at Brgy. Sta Clara, Batangas City	Completed	For dissemination
International Coastal Clean Up at Brgy. Bucana, Nasugbu, Batangas	Completed	For dissemination
Citronellamok Tepok! Phase 1	Completed	For dissemination
Coastal Cleanup at Brgy. Navotas, Balayan Batangas	Completed	For dissemination
Tree Planting Project in Brgy. Macalamcam	Completed	For dissemination
Mangrove Reforestation – Protection Against Sea Level Surge and other Natural and	Completed	For dissemination
Tree Planting Project in Brgy. Pinagsibaan	Completed	For dissemination
1st Bayanihan Beach Forest Fun Run (in collaboration with 730th CG Philippine Air Force and Nasugbu Municipal Environment and Natural Resources)	Completed	For dissemination
Disaster Risk Reduction and Management Training, First Aid, Fire and Earthquake Drill	Completed	For dissemination
Red Cross 143: Strengthening the Capacities of Communities in Brgy. Balintawak, Lipa City	Completed	For dissemination
