Technology Transfer and Skills Training: Design and Development of Coffee Demucilager for the Separation of Bean and Mucilage for the Benefit of Coffee Farm in Barangay Tipacan, Lipa City	January – November 2017	Project Proposal, Monitoring and Evaluation Documents on File	10	personnel of Katy's Farm	Brgy. Tipacan, Lipa City, Batangas	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers
86. Technology Transfer and Skills Training: Design and Development of Bioreactor for the Production of Derived Bioethanol for Sweet Sorghum Stalk	January – November 2017	Project Proposal, Monitoring and Evaluation Documents on File	8	members of BAPAMIN Farmer's Cooperative	Batac, Ilocos Norte	BatStateU Main II - CEAFA – PetEDept faculty members and personnel	Funds provided by the researchers
87. Technology Transfer and Skills Training on the Designed and developed Chitin Extracting Machine from Crab Shell Wastes for the Production of Biopesticide of PIChe-DOST Chapter	January – October 2017	Project Proposal, Monitoring and Evaluation Documents on File	25	personnel of Philippine Institute of Chemical Engineers - DOST	DOST Compound, Gen. Santos Ave., Bicutan, Taguig City	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers

88. Technology Transfer and Skills Training: Design and Development of Soybean Oil Extracting Machine and Transesterification Reactor for the Production of Biodiesel of Southern Tagalog Integrated Agricultural Research Center (STIARC)	January – October 2017	Project Proposal, Monitoring and Evaluation Documents on File	17	personnel of STIARC	Lipa City, Batangas	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers
89. Technology Transfer and Skills Training: Design and Development of Corn Cob Shredder and Carbonizer for the Production of Biochar as Soil Enhancer of Office of the City Veterinary and Agricultural Services	January – October 2017	Project Proposal, Monitoring and Evaluation Documents on File	10	personnel from OCVAS	Brgy. Bolbok, Batangas City	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers
90. Technology Transfer and Skills Training: Design and Development of a Semi-automated Capsule Filling Machine for the Production of Turmeric Supplement of GumihanLamao Farmers Development Cooperative	January – October 2017	Project Proposal, Monitoring and Evaluation Documents on File	12	members of GumihanLamao Farmers Development Cooperative	Brgy. San Antonio, Kalayaan, Laguna	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers
91. Technology Transfer and Skills Training: Design and Development of Microbial Fuel Cell for the Production of Small Scale Electricity	January – October 2017	Project Proposal, Monitoring and Evaluation Documents on File	1	Piggery Owner	Purok 4, Brgy. Ludlod, Lipa City, Batangas	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers
92. Technology Transfer and Skills Training on Designed and Developed Cacao Grinding Machine for Banaba South Multi-Purpose Cooperative	January – October 2017	Project Proposal, Monitoring and Evaluation Documents on File	20	members of Banaba South Multi-purpose Cooperative	Brgy. Banaba South, Batangas City	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers
93. Technology Transfer and Skills Training: Design and Development of Solar- Powered Water Desalination Machine for the residents of Brgy. San Antonio, Isla Verde, Batangas	January 2017 - November 2017	Project Proposal, Monitoring and Evaluation Documents on File	19	residents of Brgy. San Antonio	Brgy. San Antonio, Isla Verde, Batangas	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers

94. Technology Transfer and Skills Training: Design and Development of Plastic Shredding and Extrusion machine for San Jose Sico, Batangas City	January 2017 - December 2017	Project Proposal, Monitoring and Evaluation Documents on File	10	members of San Jose Sico Landfill Multi-purpose Cooperative	Brgy. San Jose Sico, Batangas City	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers
95. Technology Transfer and Skills Training: Design and Development of Bio-based Solvent D-limonene for the Production of Organic Fire Retardant Paint from Waste Foamed Polystyrene	January 2017 - November 2017	Project Proposal, Monitoring and Evaluation Documents on File	3	personnel of Manny Instant Lemonade	#2, National Highway, Poblacion I, Sta. Teresita, Batangas	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers
96. Technology Transfer and Skills Training: Design and Development of Dissolved Oxygen Level Monitoring and Injection System for Aquafarming Industry in Taal Lake	January 2017 - December 2017	Project Proposal, Monitoring and Evaluation Documents on File	30	personnel of Sampaloc Fish Cage Operator Association, Inc.	Brgy. Sampaloc, Talisay, Batangas	BatStateU Main II - CEAFA - ME Dept faculty members and personnel	Funds provided by the researchers
