EcoCamp by the Sea at Malabrigo Elementary School conducted

The VIP CORALS team in partnership with the SEA Institute-Verde Island Passage (SEA-VIP) conducted an EcoCamp by the Sea at Malabrigo Elementary School in Lobo, Batangas on May 18-19.

Dubbed as "Appreciation Camp for Marine Science," the activity was packed with fun-filled activities and lectures about marine ecosystems, marine animals, and coral reefs for the students of Malabrigo Elementary School to enjoy and learn from.
