#### CURRICULUM

## **Bachelor of Science in Sanitary Engineering (BSSE)**

Academic Year 2018-2019

Reference CMOs: CMO No. 98 s. 2017, CMO No. 4 s. 2018 and CMO No. 20, s. 2013

## **Curriculum Description**

The BSSE program recognizes the importance of Sanitary Engineering in the protection and preservation of the environment as well as the promotion of health and well being of the general public.

#### **Program Educational Objectives**

The graduates of Bachelor of Science in Sanitary Engineering within three to five years after graduation shall:

- 1. Successfully practice as sanitary engineers; and
- 2. Adhere to professional, moral and ethical standards in the practice of sanitary engineering.

### **Student Outcomes**

The following skills, knowledge, and behaviors are expected to be attained by students as they progress through the program:

- a. Ability to apply knowledge of mathematics and science to solve engineering
- b. Ability to design and conduct experiments, as well as to analyze and interpret data.
- c. Ability to design a system, component, or process to meet desired needs within realistic constraints such as economic, environmental, social, political, ethical, health and safety, manufacturability, and sustainability, in accordance with standards.
- d. Ability to function on multidisciplinary teams.
- e. Ability to identify, formulate, and solve engineering problems.
- f. Understanding of professional and ethical responsibility.
- g. Ability to communicate effectively.
- h. Broad education necessary to understand the impact of engineering solutions in a global, economic, environmental, and societal context.
- i. Recognition of the need for, and an ability to engage in life-long learning.
- j. Knowledge of contemporary issues.
- k. Ability to use techniques, skills, and modern engineering tools necessary for engineering practice.
- 1. Knowledge and understanding of engineering and management principles as a member and leader in a team, to manage projects and in multidisciplinary environments.

# **CURRICULUM COMPONENTS**
