BatStateU receives regional Gawad Kalasag for two years in a row

BEST HEI AWARD. BatStateU DRRM Focal Person Dr. Nickie Boy Manalo, on behalf of the entire Batangas State University, received the Best HEI Award from Gawad Kalasag for the second straight year.

Batangas State University bagged the Best Higher Education Institution Award for the second straight year from the CALABARZON Gawad KALASAG-Search for Excellence in Disaster Risk Reduction & Management (DRRM) and Humanitarian Assistance in ceremonies held on July 1 at the Bulwagang Capitol, Batangas City.

BatStateU was recognized once again for its commitment to DRRM by regularly conducting programs and activities that foster

disaster preparedness, prevention, mitigation, response, recovery and rehabilitation in the academic community.

BatStateU DRRM Focal Person Dr. Nickie Boy A. Manalo received the award from Batangas Governor Hermilando “Dodo” Mandanas during the Joint Council Meeting of the Provincial Disaster Risk Reduction and Management Council, Provincial Development Council, Provincial Peace and Order Council, Provincial Anti-Drug Abuse Council, and the Provincial School Board.

Recently, BatStateU’s Team SIGAW (Solar-Powered Isotropic Generator of Acoustic Wave) also earned special recognition in the Group Category of the 20th National Gawad KALASAG - an annual awarding ceremony for significant initiatives in the promotion and advancement of DRRM in the country, which took place on December 4, 2018.

It was attended by University President Dr. Tirso A. Ronquillo and VP for Research Development and Extension Services Engr. Albertson D. Amante.

HUAWEI ICT ACADEMY. Huawei Representatives Mr. Alan Li Guodong and Huawei Channel Service Manager Mr. Lim Seow Boon, together with BatStateU Officials led by BatStateU President Dr. Tirso Ronquillo, VPRDES Engr. Albertson Amante and CEAFA Dean Dr. Elisa Gutierrez sign the MOA for the establishment of the first ever Huawei ICT Academy in the region.

BatStateU to establish 1st Huawei ICT Academy in the region

The first ever Huawei ICT Academy in the region will be established in the university as it entered into a memorandum of agreement with Huawei Technologies Philippines, Inc. on August 24, 2019 at the Higher Education Building, BatStateU Pablo Borbon Main I, Batangas City.

Huawei ICT Academy aims to provide quality training to students focused on the areas of IP routing and switching, WLAN, security, storage, cloud and big data.

Training courses to be offered shall provide students with lectures and modules that will equip them with the necessary skills needed to pass the Huawei Certification. Currently,

BatStateU alumnus and Huawei FR Manager Engr. Sean Alegre is the first and only Huawei Certified IT Professional from BatStateU. University President Dr. Tirso A.

The officials present the signed memorandum representing the remarkable partnership between the BatStateU and Huawei.

Ronquillo expressed his excitement in the partnership as he looks forward to a fruitful collaboration with Huawei— focused mainly on students' growth. He also thanked the company for the opportunities that will be provided to students. Moreover, he shared updates on the University's technopark to be officially called BatStateU KIST Park or Knowledge, Innovation, Science and Technology Park— which has been endorsed to the Office of the President for Presidential Proclamation. He said that the industrial park will house different locators and potential business partners, and foster collaboration between industries and academe through internship, industry training, immersion and recruitment.

On the other hand, Huawei Service Director Mr. Alan Li Guodong conveyed his strong commitment towards the partnership as he shared his hopes of boosting the students' knowledge and skills with them.

"Huawei will help prepare future talents into the ICT industry as well as support the sustainable growth of the Philippines," he said.

The MOA signing was participated by Dr. Ronquillo, Mr. Guodong, VP for Research Development and Extension Services Engr. Albertson D. Amante, Dean of the College for Engineering, Architecture and Fine Arts Dr. Elisa D. Gutierrez and Huawei Channel Service Manager Mr. Lim Seow Boon.

On the same day, the university also launched its new PhD in Electronics Engineering program — a CHED-recognized Center of Excellence program — headed by Program Coordinator Dr. Celso Co. He presented the program curriculum and policies, and introduced the pioneer batch of the program.

Students, Huawei officials and representatives, and BatStateU officials all grace the momentous event at the lobby of the newly inaugurated Higher Education Building.

OSAS orients freshman students and the parents for AY 2019-2020

The University's first year students and their parents attended an orientation program organized by the Office of Student Affairs and Services (OSAS) for the Academic Year 2019-2020 on August 13-15 at the Gov. Feliciano "Sanoy" Leviste Multipurpose Memorial Gymnasium, BatStateU Pablo Borbon Main I, Batangas City.

This activity aimed to familiarize the participants with the university services, goals and policies regarding student services.

OSAS invited representatives from different offices to discuss the programs and services they offer, and the rules students need to comply with. These offices include: Student Organizations and Activities Office, Student Discipline Office, Guidance and Counseling Office, Student Publications Office,

Scholarship and Financial Assistance Office, Multi-Faith Services Office, Student Housing and Residential Services Office, Food Services Office, Sports and Development Office, Culture and Arts Office, Registrar's Office, ICT Office, Auxiliary Services Office, Library, Medical and Dental Office, Cashier's Office and Accounting/Financial Services Office.

University President Dr. Tirso A. Ronquillo also delivered a presentation

about the university's plans and accomplishments focused on student development and research. He also shared his personal experiences with the students where he mentioned the importance of education and the values they have to live by.

College Deans and Supreme Student Council Officers from different colleges also presented their programs and plan of activities before the students and parents.

Asst. Director for Scholarship and Financial Assistance Dr. Jennifer Manalo informs the freshman students and their parents of the policies on scholarship and financial aid that are being followed by the university.

Miss Marie Kris Datingguino, Nurse II from the Medical and Dental Services Office, orients the students and parents of the procedures and services they offer.

HRMO conducts Personnel Development Seminar

Dr. Erma Quinay expresses her gratitude for the attendees of the seminar that reinforced their knowledge of the University's rules and guidelines.

Project Development Officer II of DRRM Tanauan, Mr. Edward Landayan and Nurse/ Emergency Medical Technician of Laguna Provincial DRRMO Mr. Ernesto Itoralba discuss laws on DRRM, its importance in education, and other safety reminders.

The Human Resource Management Office (HRMO) conducted a Personnel Development Seminar on August 6 to ensure employee productivity and adherence to the existing rules and guidelines of the university. The event was held at the Amphitheater, CITE Building, BatStateU Pablo Borbon Main I, Batangas City. It was attended by over 300 employees from the 11 campuses of the university.

The whole day seminar oriented the participants basic orientation on Disaster Risk Reduction Management (DRRM) and gave them insights on Cost Cutting Strategies and Measures.

The resource speakers were Mr. Edward G. Landayan, Project Development Officer II of DRRM Tanauan, Mr. Ernesto V. Itoralba,

Nurse / Emergency Medical Technician of Laguna Provincial DRRMO, and Atty. Alvin R. De Silva, Director for Administration Services.

Mr. Landayan discussed the Philippine Risk Profile and its existing DRRM laws and regulations. Meanwhile, Mr. Itoralba talked about the importance of DRRM in the education sector and the responsibility of schools in ensuring the safety of students and personnel.

On the other hand, Atty. De Silva discussed Procurement Management where he highlighted the roles of personnel in the procurement process of the university.

The event was capped off with an exchange of ideas, questions and answers during the open forum.

BatStateU Lobo, Rosario, San Juan Executive Director Atty. Alvin R. De Silva talks about Procurement Management as the participants also share their thoughts during the seminar.

BatStateU Staff convene for CSW Seminar-Workshop

Members of the university's support staff attended a two-day seminar-workshop on Completed Staff Work (CSW) for staff members on July 18-19 and 25-26 at the Lecture Room, International Affairs Office, CITE Building, BatStateU Pablo Borbon Main I, Batangas City.

Organized by the HRMO, this seminar aimed to capacitate staff members in performing their responsibilities while ensuring an effective workflow process in the university.

Dr. Sharon C. Angulo, HRMO Head in BatStateU JPLPC-Malvar, encouraged the staff members to make the most out of the training. She also informed them about the importance of CSW for it shall ensure clients the quality service that they deserve.

The seminar-workshop included lectures on Managing SUC Managers, CSW Concept and Principles, CSW Process and Planning Checklist, and CSW for different situations. The lectures taught the participants CSW practices on agenda preparation and other SUC-related documents

Three-Storey Higher Education Building in BatStateU Lobo inaugurated

BatStateU President Dr. Tirso Ronquillo delivers his message during the inauguration of the new three-storey Higher Education Building.

As part of the university's mission of providing a conducive learning environment for the academic community, BatStateU Lobo officially inaugurated its three-storey Higher Education Building in ceremonies held on August 15.

The building — with a total floor area of 840 square meters — houses three classrooms, two laboratories, a multi-media room, a faculty room, a clinic, and a library for students and faculty members.

University President Dr. Tirso A.

Ronquillo and Municipality of Lobo Mayor Gaudioso R. Manalo led the ribbon cutting and marker unveiling ceremonies together with university officials and other external partners in Lobo, while Rev. Fr. Joseph Mendoza led the blessing of building facilities.

Dr. Ronquillo expressed his gratitude to the Municipality of Lobo for supporting the university towards the realization of its goals. These include the establishment of the first marine biodiversity research center - the VIP CORALS (Verde Island Passage Center for Oceanographic Research

and Aquatic Life Sciences), which is now approved by the University's Board of Regents for construction in BatStateU Lobo.

The president also shared his commitment to their partnership with Lobo and assured its officials and residents of the students' continuous development.

Mayor Manalo also gave his inspirational message where he shared the essence of education among the youth. He also extended his gratitude to the BatStateU community for the opportunities it offered to the Municipality of Lobo.

SSC - Lobo Vice President Mr. Jun Erik Magnaye and PTCA President Mr. Ronnie Zaraspe also delivered their message of gratitude for the university.

In the closing program, Executive Director for BatStateU Lobo Atty. Alvin R. De Silva thanked the university administrators for the new blessing given to the campus. He also appealed to the students to be good stewards of the facilities that the university has provided.

Also present were Danny Perez, General Manager of Lobo Water District; Hon. Edwin Salazar, Barangay Captain of Masaguitsit, Lobo; Hon. Romeo Sulit, Representative of the Sangguniang Bayan of Lobo; and PCPI Jonel D. Pintor of PNP Lobo.

Lobo Mayor Gaudioso Manalo, Lobo Water District General Manager Danny Perez, and BatStateU Lobo Executive Director Atty. Alvin De Silva give their message of support and gratitude for the continuous growth and development of the campus.

Dr. Ronquillo and Mayor Manalo lead the ribbon-cutting ceremony for the inauguration of the new Higher Education Building.

CTI holds Elevate National Start-up Roadshow

IMPACT HACKATHON. Selected students, faculty and professionals participate in the preparation for IHM's attempt to break a Guinness record for the world's largest hackathon under one roof and the world's largest multi-city simultaneous hackathon – the Impact Hackathon.

Batangas State University's Center for Technopreneurship Innovation (CTI), in partnership with Impact Hub Manila (IHM), hosted the "Elevate National Start-up Roadshow" on August 17 at the 7th Floor Multimedia

Rooms 1 & 2, CIRT Building, Pablo Borbon Main I, Batangas City.

Impact Hub Manila is an organization offering access to incubation programs, corporate innovation workshops, flexible

workspaces, and a vibrant learning community for entrepreneurs across the Philippines.

The purpose of the roadshow was to invite participants to join the Impact Hackathon that will commence this October.

IMPACT 2050

Impact 2050 is a multi-year program designed to equip, enable, and empower innovative digital solutions in the form of a “hackathon”. This aims to create a prototype and design new solutions that can potentially solve challenges within the agriculture, tourism, environment, and education sectors.

Some of the programs included are the Elevate National Startup Roadshow; Impact Hackathon, which is poised to break two Guinness Book of World Records for the World’s Largest Hackathon under one roof, and the World’s Largest Multi-City Simultaneous

Hackathon; 2050 Fest; and a year-long Incubation Program.

In preparation for the Hackathon, IHM invited Batangas State University to be the official Community Partner in hosting the Elevate National Startup Roadshow in Batangas City. This is also in partnership with Microsoft Philippines.

The program included a discussion of “Opportunities in Impact” led by Ms. Ces Rondario, CEO and co-founder of Impact Hub Manila and the Regional Lead for Impact Hub Asia.

It was followed by a talk by Ms. April Cuenca, Project Co-Head of

Impact 2050 for Impact Hub Manila. Her topic focused on “Exploring Impact Driven Solutions”.

In the afternoon, Project Co-Head & Hackmaster of Impact 2050 for Impact Hub Manila Mr. Diego Ramos discussed the Hackathon mechanics, judging criteria, and answered questions relating to the Hackathon.

Lastly, Mr. Charles Justin Lim, Business Development Manager for ISVs and Startups of Microsoft Philippines conducted a workshop entitled “How to Create an MVP”.

Selected BatStateU students, faculty, and professionals attended the said event.

The speakers from Impact Hub Manila pose for a photo opportunity with the staff of the BatStateU CTI Office.

BatStateU signs MOA with health-care practitioners and organizations

BatStateU President Dr. Tirso A. Ronquillo welcomes the health-care practitioners in a simple program prior to the MOA signing.

Batangas State University signed a memorandum of agreement with Batangas health-care practitioners and organizations on July 29 to strengthen its referral system that shall provide its students further assistance on mental health concerns. This was held at the Lecture Room, International Affairs Office, BatStateU Pablo Borbon Main I, Batangas City.

MENTAL HEALTH CARE AGREEMENT. Dr. Ronquillo and the health-care representatives review and sign a partnership that will help strengthen mental health assistance in the university.

Asst. Director for Guidance and Counselling Asst. Prof. Renan T. Mallari introduced the guidelines of the university on guidance and counselling and its initiatives in supporting mental health care, while Ms. Kristine Bautista of the Philippine Mental Health Association Lipa-Batangas Chapter shared her impressions for the said partnership.

During the program, BatStateU President Dr. Tirso A. Ronquillo expressed his gratitude to the university's newest partners for their support towards its goal of ensuring the holistic development of its students. He also shared his hopes for a successful and collaborative partnership that will lead to greater developments for students.

Meanwhile, Ms. Kristine Bautista of the Philippine Mental Health Association Lipa-Batangas Chapter said that the partnership is very timely as the cases of mental

health issues continuously rises in the province. She acknowledged the university's efforts in recognizing the importance of mental health as she assured them of her commitment to their partnership.

Participating practitioners and organizations/agencies include Ms. Imelda P. Morales-Martin, a psychiatrist; Mr. Edgardo B. Caraan, Jr., an Academic Consultant for Special Education Department at Sunhill Development Education; Dr. Lida C. Landicho, a psychologist from Lyceum of the

Philippines University-Batangas; Dr. Lalaine Alba, an obstetrician-gynecologist; Mr. Ervin Salupare, an Educational Diagnostician/Consultant; Philippine Mental Health Association Lipa-Batangas Chapter; and The Nazareth Formation House.

The MOA signing was made possible through the efforts of the Guidance and Counseling Office headed by Dr. Lucille D. Evangelista, Director for Student Affairs and Services, and Asst. Prof. Renan T. Mallari, Asst. Director for Guidance and Counseling.

Dr. Ronquillo and the representatives of the participating health-care practitioners and organizations/agencies reinforce the partnership for better mental health care for the students of BatStateU.

Higher Education

Dr. Tirso A. Ronquillo officially turned over the Higher Education Building to the BatStateU Students, represented by Student Regent Arvin Lloyd Atienza, in ceremonies held on August 13.
