Curriculum Description

The BEEd is an undergraduate teacher education degree program designed to prepare individuals intending to teach in the elementary level. It aims to develop highly motivated and competent teachers specializing in the content and pedagogy for elementary education. After successful completion of all academic requirements of the degree/program, graduates of BEEd should be able to practice the teaching profession in the elementary level.

Program Objectives

The BEEd program aims to produce elementary teachers who have the ability to:

1. demonstrate comprehensive and up-to-date knowledge in various learning areas in the elementary education curriculum by engaging in scholarly and research activities and by maximizing opportunities for lifelong learning;
2. provide meaningful learning experiences to elementary pupils by using emerging educational technologies for quality and effective teaching and by creating an environment that encourages positive social interaction, active engagement and self-motivation;
3. demonstrate competence in teaching and testing through the design, adoption and utilization of teaching methods, instructional materials, and assessment tools that are appropriate to the cognitive, affective and psychomotor development of elementary learners;
4. observe the professional code of ethics for teachers and internalize the importance of continuous professional development, as well as the need to work cooperatively and harmoniously with all members of the academic community; and
5. establish sustainable partnerships and linkages with the professional community and provide assistance to the underserved, depressed, illiterate and less skilled members of society through extension activities and community service.

Program Outcomes

The graduates of the program have the ability to:

- a. demonstrate in-depth understanding of the diversity of learners in various learning areas;
- b. manifest meaningful and comprehensive pedagogical content knowledge (pck) of the different subject areas;
- c. utilize appropriate assessment and evaluation tools to measure learning outcomes;
- d. manifest skills in communication, higher order thinking and use of tools and technology to accelerate learning and teaching;
- e. demonstrate positive attributes of a model teacher, both as an individual and as a professional; and
- f. manifest a desire to continuously pursue personal and professional development.
