LIKHA FabLab participates in Manila Mini Maker Faire 2019

On June 22-23, LIKHA FabLab was among the exhibitors in the Manila Mini Maker Faire 2019 held at the The Mind Museum, JY Campos Park, 3rd Ave., BGC, Taguig City. The event was a festival of invention, creativity and resourcefulness, and a celebration of the Maker movement.

Exhibitions also included a variety of K-12 topics including robotics and electronics, agriculture, industrial and interactive arts, renewable energies, visual arts, music and many more.

The event aimed to create a network of like-minded people that would create, invent and mentor among other clients for acquiring best product and service outcomes for the center and the university.
